MAYOR'S INAUGURAL ADDRESS

To the Members of City Council:

In 1959 one of the problems of serious concern to City Council was winter unemployment. To help solve this problem the City of Kingston carried out approximately $219,000 of sewer work as part of a winter works program to aid employment in the construction industry during the winter months. The Federal and Provincial Governments assumed 75% of the direct labour costs, but since materials and equipment are a large part of the cost of sewer construction the City paid $190,000 of the $219,000. During the period ending April 1, 1960, the City of Kingston is carrying out a similar program of sewer work which will result in the extension of sewer services in the Rideau Heights area.

To further alleviate the problem of winter unemployment, a winter unemployment committee was formed and during the year the committee held several meetings. Considerable publicity has been given to this committee and its objectives. On the recommendation of the winter unemployment committee, the City of Kingston has made representations to the Federal Government that the winter assistance program to municipalities would be improved by making a straight per capita payment to municipalities where there is unemployment, instead of paying a subsidy on labour. Under the present assistance program buildings are specifically excluded from subsidy as winter works projects and this eliminates some of the most essential items of construction, such as school room additions and new schools.

The City of Kingston, with the assistance of the Kingston Chamber of Commerce, was successful in locating two industries on the industrial land area of the Long farm. The industries were the United Co-operatives of Ontario and the Porter-Cable Machine Company. We hope that 1960 will see further industrial developments in this area.

In the years to come I believe that Eastern Ontario will witness the type of industrial expansion that took place in Western Ontario earlier in the century and which has continued to the present. We in Kingston must aggressively seek a reasonable amount of this new industry. The location of the right type of industry in our City means more employment, lower taxes and the possibility of a brighter future for our children right here in Kingston, rather than in other centres. I appeal to the members of City Council, the Chamber of Commerce and other organizations to redouble their efforts to attract new industry. Industrialists, merchants and citizens should be alert when dealing with their manufacturers, suppliers and other contacts who may be prospects for new industry in our City. Of equal importance is the need to give all possible encouragement and assistance to local industry and commercial establishments wishing to expand.

I am convinced that along with more adequate grants from the higher levels of government — especially in the field of education — the main answer to Municipal tax problems is the attraction of new and desirable industries and the expansion of present ones.

Perhaps consideration should be given to the appointment of a full time industrial commissioner.

The year 1959 saw some of the heaviest snow falls in many years and the Board of Works devoted many hours to working out a suitable policy for the operation of the snow blower and snow removal. The heavy snow falls meant that it was necessary for the Board of Works to carry out an early policy of cleaning out catch basins so that they would be open for the spring run-off. During the year 1959 the Works Department received a number of compliments for the prompt and efficient service that the Department provided in snow removal.

1959 was the first year of the full operation of the sewage treatment plant and the pumping stations. As is true of most new pieces of equipment, there was an initial period of temporary break-downs, and it was about the middle of the year before this system was functioning smoothly. There is still the problem of hooking in a number of industries to the system and of giving consideration to clorination of the effluent at the sewage treatment plant, suggested in a report by the Ontario Water Resources Commission.

Early in 1959 the Kingscourt Branch Library was opened on Kirkpatrick Street just to the East of Queen Elizabeth Collegiate and Vocational Institute. The Library has more than 5000 books to serve the reading public in the Kingscourt area.

On June 28th of last year the City of Kingston was honoured with a visit by Her Majesty Queen Elizabeth and His Royal Highness Prince Philip. In the planning for the visit emphasis was placed on making certain that the children would participate to a considerable extent in the royal visit program, and that an opportunity would be afforded to all children and their parents to obtain a good view of the Royal Couple. Participation of the children was obtained through arrangements for Brownies, Girl Guides, Boy Scouts and other organizations to assemble at Richardson Stadium. The selection of the Public Utilities Dock as a landing place for the Royal Barge was a happy one, as the waterfront afforded one of the points of vantage where the children and general public could obtain a good view of Queen Elizabeth and Prince Philip. In addition to this there was a drive by the Royal Cavalcade that proceeded from the Dock to Richardson Stadium, up Alfred Street, and as far North as Concession Street, around to Sydenham Street United Church and across to Fort Henry and Royal Military College. It was an enthusiastic welcome that the people of Kingston gave to the Queen and Prince Philip on their visit to Kingston on June 28th. I would be remiss in my duties if I did not at this time pay tribute to the people who were to such a large extent responsible for the successful arrangements for the Royal Visit to Kingston — the Royal Visit Committee, Mr. J. A. Cunningham and Mr. F. L. Bartlett who acted as co-chairman of the program at Richardson Stadium, which was so well supported by the Canadian Legion, the R.C.A.F. Association, The Silver Cross Women, The I.O.D.E., The Girl Guides, Boy Scouts, ethnic groups and many other patriotic organizations; Mr. Grant MacLachlan and the Sea Cadets who planned the water welcome; Police Chief Robert Nesbitt who planned the route and who gave unstintingly of his time to the many details; military personnel of the Kingston area who assisted in so many ways; and a very special tribute to the Parks Committee for the beautiful floral displays at Richardson Stadium and at the Coronation Gardens. I know that the Royal Couple admired these displays. Mr. and Mrs. Ronald Way deserve much credit for the arrangements and fine program at Old Fort Henry.

A few days after the Royal Visit another important event took place with the official opening on July 11th of the $100,000 Swimming Pool at The Community Centre. The Swimming Pool proved so popular that on many afternoons there were long queues of children waiting to get in the pool; and the Instruction Course was so popular that it had to be run in two sections to accommodate all the children who were interested in learning to swim.

During the year 1959 repairs were made to the grandstand at Megaffin Stadium and the grounds were put in first class condition. This year the lighting poles should be repaired so that night baseball, softball and soccer can make full use of this excellent stadium.

An important development in the Northern section of the City that commenced in 1959 was the low rental housing project at Montreal and MacCauley Streets. Here at a cost of approximately $700,000, with the funds supplied by the Federal and Provincial Governments, two and three bedroom apartments, and row housing units will be constructed that will rent for approximately $70 a month, depending on the income of the persons who wish to rent these apartments. At this time I wish to compliment the Kingston Housing Committee who have done so much to make this project possible. It is to be noted that the City of Kingston expended approximately $257,000 in taking the services to the area, thus making the Housing Project possible. This work was done mainly as a winter works project.

The Department of Justice has agreed to sell the 225 acres bounded by the Bath Road, Palace Road, Johnson Street and Portsmouth Avenue for a land assembly development under the Federal-Provincial partnership. We hope to service this land as soon as possible. This area will provide a further supply of serviced land at cost to those who wish to build. In addition land will be available for the Y.M.C.A.-Y.W.C.A. Building, churches, schools, and park development.

On December 30, 1959, the new North End Fire Station was officially opened. This Station was constructed at a cost of approximately $62,000. The North End Fire Station is the modern two-bay type and will be able to take care of future population growth and building growth in this area. At the present time the Station will be manned by four officers and 10 men. There is sufficient space in the Station for an additional 14 men and an additional pumper. I would suggest that the 1960 Administration Committee may wish to consider the advisability of closing the Ontario Street Fire Station now that the new Station is opened.

Last year a reassessment of land for the entire City was carried out. As this has been discussed in great detail during the past month it is unnecessary to review all the factors involved. However, we have been assured by the Department of Municipal Affairs that under existing legislation the land reassessment will increase the amount of educational grants that will be paid by the Province of Ontario to the Board of Education and the Separate School Board.

The Debenture Debt of the City of Kingston has been receiving the close attention of the Members of Council for a number of years. Until 1955 when the City of Kingston began financing sewage disposal the Debenture Debt of the City was of modest proportions. On the average old debt was being paid off at about the same rate as new debt was being incurred. The years 1951 and 1952 were an exception to this general pattern with net increases of approximately $600,000 and $800,000 respectively. However, at the end of 1954 our Debenture Debt amounted to only $5,600,000. During the years 1955 to 1958 with the financing of sewage disposal, Debenture issues of two million, three million and four million dollars a year were necessary. It can be noted that most of this financing was done at 5½% or less; if done today an interest rate of 6¾% would be involved. Our Debenture Debt now stands at $16,200,000 and should level off here.

The City of Kingston has adopted a capital budget. As presently projected to 1963 debt charges affecting the mill rate will not increase in total more than $30,000 during the next four years; whereas in one year during the sewage disposal issues debt charges have increased by more than $120,000. Council has been and will continue to try and level off Debenture Debt by the following measures:

1. Financing of local improvements by subdivision agreements or land assembly projects instead of by Debentures.

2. Financing resurfacing of streets and sidewalk reconstruction from the current budget instead of by borrowing.

3. Levying for a 7% down payment on all capital projects. This ensures a careful appraisal of all capital works and reduces future interest charges.

During the year 1960 the urban renewal report of Professor G. Stevenson will be considered by Council. We, the Members of City Council, will realize that an urban renewal report cannot be simply adopted as a panacea for all Municipal ills and then filed away in a pigeon hole. We must be prepared to implement the various proposals in the report as early as our financial position will enable us.

During the year 1959 representations were again made to the Department of Transport on the need of a scheduled air service to Kingston and prospects are promising for a scheduled air service in the not too distant future. We hope that the Board of Transport will announce their decision in the Spring.

The newly established Parking Authority conducted an aggresive search for additional parking lots, and with the support of City Council and the businessmen in the downtown business area, land was acquired just above the corner of Brock and Montreal Streets, and on Queen Street just below Barrie for the opening of two new parking lots, each of which will accommodate fifty-one cars. It should be the goal of the Parking Authority and City Council to continue a forward looking program for more parking lots for the downtown area.

The restoration of the City Hall portico at an estimated cost of $100,000 and the taking of sewer and water services to a new C.N.R. Station are two questions that have been the subject of study and debate with the decision being made that the voters should make their wishes known on these two questions at the 1960 Election.

At the December Election the voters will also be voting to elect a 15 member Council. Before the end of this year the Administration Committee will doubtless recommend to Council, and Council will decide, if beginning in 1961 the number of Standing Committees should remain unchanged with the membership of Committees reduced to 5 Aldermen; or if some of the present Committees should be consolidated with the same number of members being retained on a Committee.

A very important part of our work in the weeks ahead will be the preparation of the 1960 budget. As was done in 1959, we must give a critical scrutiny to our expenditures and revenues. The 1959 budget was pared to the bone and we must do the same in 1960. It is true there will be little or no surplus from 1959. This is certainly preferable to a huge surplus. A large surplus would indicate that our citizens had been over-taxed. The budget for 1960 must include only the absolutely necessary expenditures. Some of us may have pet projects we would wish to commence this year. Our enthusiasm for any project must be tempered by the knowledge that there is a limit to the ability of our taxpayers to pay for new projects. What holds true for individuals equally applies to municipalities. — We can only do what we can afford.

Knowing the Members of the Board of Education I believe that they are fully aware of the tax burden and will eliminate all non-essential items from their budget. I urge all Department Heads and Committees to include in their budgets only the most necessary expenditures.

It is inevitable that the senior levels of government will recognize the need to re-examine the financial position and sources of income of local governments. In the meantime we must keep our expenditures within the limits of our ability to pay.

In the preparation of this my second inaugural address, I have reviewed the content of my first inaugural address of 1959. It is indeed gratifying that so many of the topics contained therein have been successfully dealt with in 1959. May I express my sincere gratitude to all elected and appointed Boards in the City of Kingston who by their cooperation have made this possible.

During the past year I have enjoyed a close association with the representatives for the City of Kingston in the Provincial and Federal levels of Government. May I take this opportunity to thank the Honourable Mr. W. M. Nickle, M.L.A., and Mr. B G Allmark, M.P., for the many courtesies extended to the members of our Civic Government during the year. I would further add my personal gratitude for tht kind assistance and advice given to me by Mr. Nickle and Mr. Allmark in so many matters pertaining to the interests of the Corporation of the City of Kingston.

I extend to every Member of Council, Civic Employees, Affiliated Civic Institutions and all citizens of Kingston my wish that they will enjoy a most happy and prosperous New Year.

Moved by Ald. McCullough, seconded by Ald. Foley (2) that the various recommendations in the Inaugural Address of the Mayor be referred to the appropriate Committee for consideration. CARRIED

CITY COUNCIL MEETING NO. 2

January 11, 1960

The regular meeting of City Council was held this evening in the Council Chamber at 8:03 p.m. His Worship Mayor Mills presiding.

ROLL CALL

PRESENT: Ald. Baiden, Elliott, Foley, Good, Grant, Graves, Herrington, Kennedy (arrived at 8:10), Leach, McCorkell, McCullough, Prevost, Sly, Spearn, Stevens, Tee, Vosper, A. S. Watts, E. Watts, Webb.

MINUTES

Moved by Ald. Grant, seconded by Ald. Tee (1) that the minutes of the regular meetings of City Council held on November 9 and November 23, 1959, and a special meeting held on December 21, 1959, be adopted as printed.

CARRIED

COMMUNICATIONS

To be Filed:

From the Department of Municipal Affairs, acknowledging receipt of Council's resolution concerning Bus Service License Fees and Gasoline Tax.

From the Honourable W. M. Nickle, Q.C., Minister of Planning & Development, advising that he has studied all reports and completed his consideration of the request of Messrs. Samuel Springer and John B. Sampson to amend the Official Plan of the City of Kingston on the Bath Road. The following is the contents of Mr. Nickle's letter:

"I know the area very well, I have followed with more than ordinary interest the press reports relating to this requested change in the Official Plan."

The proposed commercial use on the subject land will tend to establish the "strip" commercial trend along Bath Road, with all its undesirable effects on both the area and the traffic along Bath Road.

It should never be forgotten that the Federal-Provincial Partnership have agreed to purchase that part of the Penitentiary Farm on the south side of Bath Road. Further, those interested in buying lots to build future homes, also contractors contemplating the construction of apartments for our people, to say nothing of Churches of various denominations and schools, have expressed very strong views that the change to commercial would spoil this fine residential area and adversely affect the proposed development by the Partnership.

In giving this matter my very best consideration and having regard to the interests of Kingston, I have no doubt in my mind that justice will be done in refusing the request of Messrs. Springer and Sampson, and this I have done in a letter I have sent to Messrs. Springer and Sampson. I would appreciate it if you would bring this decision to the attention of Council at their next regular meeting."

To be Referred to the Board of Works:

From the Lake Ontario Anti-Pollution Association, enclosing a copy of their minutes and constitution. Membership Fees: $50.00 per annum.

Which has been Referred to the Administration Committee:

From the Town of Tilbury, requesting the City of Kingston to endorse their resolution that the grant system applying to arenas and community halls to enable all municipalities to share equitably in Government assistance.

COUNCIL — JANUARY 11, 1960 — UNFINISHED BUSINESS

Ald. McCorkell stated that he was under the impression that the Public Utilities Commission would be asking the City to issue debentures for $400,000.00 for the gas system, and that these funds were not for the expansion of the business but for safety measures. Mayor Mills stated that a good part of the funds would be used to extend the gas service to more users. He stated that representatives of the Public Utilities Commission would be attending the next Finance meeting on January 20, 1960, to present their request, and he invited the members of Council to attend.

Clerk-Comptroller. Mayor.

CITY COUNCIL MEETING NO. 3

JANUARY 25, 1960

The regular meeting of City Council was held this evening in the Council Chambers at 8:08 p.m. His Worship Mayor Mills presiding.

ROLL CALL

PRESENT: Ald. Baiden, Elliott, Good, Grant, Graves, Herrington, Kennedy, Leach, McCorkell, McCullough, Prevost, Shannon, Sly, Spearn, Tee, Vosper, A. S. Watts, E. Watts, Webb.

TABLING OF DOCUMENTS

A Report of Dr. R. H. Hay on his attendance, as the Mayor's representative, at the First Canadian Conference on the Uranium Industry and Nuclear Energy held in Toronto, January 11 to 13, 1960.

MINUTES

Moved by Ald. Webb, seconded by Ald. Baiden (1) that the minutes of a regular meeting of City Council held on December 14, 1959, and the Inaugural meeting held on January 4, 1960, be adopted as printed. CARRIED

COMMUNICATIONS

To be Filed:

From Mrs. F. Knechtel and family, expressing their appreciation for Council's expression of sympathy.

From Mrs. Henry Snider and family, expressing their appreciation for Council's expression of sympathy.

From the office of the Prime Minister of Ontario, acknowledging receipt of Council's resolution endorsing the resolution of the Town of Tilbury, relative to Provincial grants to community centres.

From Mr. R. M. Bruce, Chairman of the Committee on Preservation of Buildings of Historical and Architectural Value, advising that the Committee "feels that their main task was to call attention to a civic need. We believe this has now been done. The formality of writing legislation remains.

Any by-law we draft and recommend will be based on a map of the City with subject locations designated thereon for the use of the Building Inspector. This can be done during the coming year. We intend to invite two Aldermen to each meeting so that our proposals will be more fully understood by Council.

A catalogue of buildings which will furnish factual information historically and architecturally, is in preparation. Photography, research and assembly will take several years. This will serve as an inventory of real values which will be a perpetual guide for private owners and the Municipality."

From the Board of Transport Commissioners for Canada, advising that the time within which the C.N.R. are required to install automatic protection at the crossing on No. 2 Highway at Cataraqui has been extended to April 10, 1960.

From the Kingston City Coach Company Limited, advising that the extra bus service for the Rideau Heights area went into effect January 4, 1960.

From the Honourable W. M. Nickle, Q.C., Minister of Planning and Development, acknowledging receipt of Council's resolution that legislation be enacted to amend The Planning Act to authorize municipalities to set aside conveyances that have been made in contravention of Section 24 of the Act. He states that he appreciates the fact that a fine does not necessarily offer a deterrent to the contravention, but there are difficulties in making such transfers invalid. The principal one is that there should be some form of an appeal, from such a drastic provision exercised by an appointed body. He is giving careful consideration to the recommendation.

From the City Solicitor, expressing his appreciation for Council's resolution congratulating him on being appointed as a Queen's Counsel.

From the Ontario Municipal Association, a copy of a bulletin issued by the Citizens Research Institute of Canada, drawing attention to the need for a system of taxation which achieves overall equity of treatment for Canadian tax payers.

From the Department of Municipal Affairs, advising that it is not the function of the Department of Municipal Affairs to do a spot check on assessment as requested by Council. The Court of Revision is appointed to deal with such matters.

From the Minister of Agriculture, acknowledging receipt of Council's resolution respecting increased grants to community centres, and enclosing a copy of a letter sent to the Town of Tilbury which sets out the present basis of grants.

To be Referred to the Administration Committee:

From the City of Windsor, requesting the City of Kingston to endorse their resolution that legislation be enacted to provide that any proposal by a county council to undertake extensive alterations or additions to a court house or jail be determined by arbitration, unless the city and county agree to such alterations or additions.

From the City of Welland, requesting the City of Kingston to endorse their resolution that the legislation which provides that after payment of office overhead, the Magistrate shall remit to the Treasurer of Ontario, 40% of all fines levied for provincial and municipal offences, be reviewed and changed to give the municipalities a more equitable share of the fines collected through its Police Department.

To be Referred to the Board of Works:

From R. K. Kilborn & Associates, Professional Engineers, offering their services.

To be Referred to the Finance Committee:

From the Canadian National Institute for the Blind, requesting a grant of $1,500.00 for 1960, and enclosing statistical information.

From The Canadian Mental Health Association, Ontario Division, requesting financial assistance to carry on its work.

From the John Howard Society of Kingston, requesting a grant of $1,300.00 and enclosing statistical information. (Copies distributed to members of Council).

From the Kingston and District Association for Retarded Children, requesting a capital grant of $2,000.00.

To be Referred to the Traffic and Streets Committee:

From the Kingston City Coach Company, enclosing their account for net amount due on operation of the bus service for October, November and December, 1959, in the amount of $13,176.07.

To be Referred to the Administration Committee:

From the Department of Municipal Affairs, concerning the proposed Pension Plan.

To be Referred to the Administration Committee:

From the Wyatt Company, concerning the proposed Pension Plan.

Alderman Elliott presented Report No. 6 of the Traffic and Streets Committee as follows:

Moved by Ald. Elliott, seconded by Ald. Vosper (2) that Report No. 6 be received and adopted clause by clause.

REPORT NO. 6

Kingston, January 12, 1960

To the Mayor and Members of Council

The Committee on Traffic and Streets reports and recommends as follows:

1. That the Traffic and Streets Department employees (three in number) be paid for a full eight hours on December 24, 1959. (The Traffic and Streets Department closed at 12 Noon on December 24, 1959, at the request of The National Union of Public Service Employees). CARRIED

2. That a by-law be presented to Council to provide for the protection and regulation of pedestrian traffic in the City of Kingston, a copy of which is attached hereto as Schedule "A." (ONE READING) CARRIED (18:1)

Moved by Ald. Grant, seconded by Ald. Leach (3) that Report No. 7 be received and adopted clause by clause.

BOARD OF WORKS REPORT NO. 7

January 18th, 1960

To the Mayor and Members of Council

Gentlemen:

The Board of Works recommends as follows:

1. That the Commissioner of Works be authorized to purchase a spare comminuting unit from Chas. Napier Co.

Ltd., at a cost of $2344.00 for use in case of breakdown in barminutor at Sewage Treatment Plant. CARRIED (14:5)

2. That the Commissioner of Works be authorized to purchase a new track assembly from Sheridan Equipment Co., at a cost not to exceed $1500.00 for use on Tractor No. 204. CARRIED

3. That the account of Holdcroft Const., in amount of $756.00, for rental of snow removal equipment, be paid. CARRIED

4. That, since the City may have been partly at fault for the underpayment by the Township of Pittsburg for garbage disposal during the period 1955-1959, in amount of $567.81, in that the City did not make certain that it was using up to date population figures when it invoiced the Township, the City assume 50% of the $567.81 underpayment. CARRIED

5. That the tender of Busch Bros., Cataraqui, in amount of $125.00 for the purchase of two used Frink Snow Plows, Model 20SB, with mouldboard and harness, which are no longer required by the City be accepted being the only tender received, and, further, that the Purchasing Agent be authorized to sell as junk the two Frink Snow Plows which were not tendered on. Alderman Good presented Report No. 8 of the Committee on Administration and Legislation as follows:

Council consented to the addition of Clause 9.

Moved by Ald. Good, seconded by Ald. Herrington (4) that Report No. 8 be received and adopted clause by clause.

REPORT NO. 8

Kingston, January 19, 1960

To the Mayor and Members of Council

The Committee on Administration and Legislation reports and recommends as follows:

1. That as recommended by the Board of Works, a by-law be presented to Council to amend By-Law No. 14, "A By-Law Relating to Sewers and Drains" by deleting paragraph 4 of Schedule "A" and substituting therefore the following:

> "4. The onus for showing the laibility for blockage shall rest with the property owner and shall be determined by the following procedure. On request and on deposit of estimated cost of the work, the City shall excavate and examine the sewer lateral. If the City is found to be at fault, in the opinion of the Commissioner of Works, either by defective construction or by tree root penetration, the City's share of the cost of investigation shall be in accordance with the liability for repairs described in paragraphs 5 (b) and 6 hereunder. If no fault of the City is determined, the actual cost of the work shall be at the owners' expense."

(Proposed 2 Readings) CARRIED

2. That a by-law be presented to Council to repeal By-Law No. 774, "A By-Law to Provide for the Licensing of Plumbers in the City of Kingston" and to substitute therefor the new "By-Law to License Plumbers in the City of Kingston" attached to the Minutes of Administration and Legislation Committee Meeting No. 2 as Schedule "A." (Note: For present by-law see Schedule "B").

(Proposed Three Readings) CARRIED

3. Pursuant to Section 35 of By-Law No. 1, notice is hereby given that at the next Council Meeting a by-law will be presented to Council to amend By-Law No. 1, "A By-Law to Regulate the Proceedings of the Municipal Council of the Corporation of the City of Kingston" to provide that two regular meetings of Council be held each month, except

for July and August when only one regular meeting each month will be held. (Under the present system only one regular meeting is held on the fourth Monday during June, July, August and September. A special meeting is called on the second Monday if required). CARRIED (16:3)

4. That Mr. E. Smith be employed in the Assessment Department for the period from February 1 to September 30, 1960, at $200 per month. CARRIED

5. That a by-law be presented to Council to authorize the Mayor and Clerk-Comptroller to execute an agreement with Mr. John Joyce whereby his property on Montreal Street (with the exception of 100 feet frontage) would be exempt under Section 35 (1) of the Assessment Act for the year 1960 and while such lands are used as farm lands for a local improvement levy of $180.41 per year for the Montreal Street asphalt pavement, subject to repayment to the City by Mr. Joyce, his heirs or assigns, the cost of any local improvements assumed by the City between this date of sale or subdivision of the said lands, it being understood that Mr. Joyce will assume the cost of plans, descriptions and registration of the agreement.

(Proposed One Reading) CARRIED

6. That the City's advertising contract with the Kingston Whig-Standard be renewed at 9.5 cents per line advertising and twenty cents per line for legal notices, and as more particularly set out on the rate card attached to the minutes of Administration and Legislation Committee Meeting No. 2 dated January 19, 1960, on file in the office of the Clerk-Comptroller. CARRIED

7. That as recommended by the Kingston Planning Board, no action be taken on a request from Limestone Homes Limited for an Official Plan amendment and a zone change from R2 to Commercial for the property with a frontage of 47.47 feet on Division Street and approximately 125 feet on the proposed extension of Barbara Avenue.

CARRIED

8. That as recommended by the Traffic Consultant and the Planning Board, a by-law be presented to Council to amend By-Law No. 3078, Zoning By-Law for the 1930, 1931

and 1952 Annexation Areas" by delecting Section 20.1.2 and substituting therefore the following:

"20.1.2 Dwellings with more than two family units — parking space as follows:

Alderman Baiden presented Report No. 9 of the Social Welfare Committee as follows:

Moved by Ald. Baiden, seconded by Ald. Kennedy (6) that Report No. 9 be received and adopted clause by clause.

REPORT NO. 9

Kingston, January 14, 1960

To the Mayor and Members of Council

The Committee on Social Welfare reports and recommends as follows:

1. That due to it being impossible for the rate for 1960 which the Children's Aid Society of the City of Kingston and County of Frontenac may charge the municipalities for maintenance of its wards to be established before a date late in February, and due to the Society having to pay promptly the expenses for January related to certain of its wards for whose maintenance the City of Kingston is liable by law, an advance of $5,500.00 be made to this Society, thus enabling it to avoid incurring a sizable bank overdraft.
CARRIED

2. That Mr. H. E. Pense, former Welfare Administrator, who at the request of the City continued to serve the City as Welfare Administrator and in an advisory capacity after the normal retiring age, be now paid for the terminal sick leave of two months that he would have received at age 65 if he had retired then.

3. That the petty cash imprest fund of the Social Welfare Department be increased from $600.00 to $1,500.00, and the necessary amendment be made to By-Law No. 2537, "A by-Law to Ratify and Confirm the Establishment of Petty Cash and Change Funds." CARRIED

Alderman McCullough presented Report No. 10 of the Committee on Finances and Accounts as follows:

Council consented to the addition of Clause 6.

Moved by Ald. McCullough, seconded by Ald. Grant (7) that Report No. 10 be received and adopted clause by clause.

REPORT NO. 10

Kingston, January 20, 1960

To the Mayor and Members of Council

The Committee on Finance and Accounts reports and recommends as follows:

1. That as recommended by the Board of Education, a by-law be presented to Council to authorize the construction, at an estimated cost of $135,000.00, of an extension to Robert Meek Public School of one kindergarten, one classroom, and an assembly-playroom, together with certain alterations in connection therewith to the existing building. The estimate of this work is as follows:

Construction of Extension	$116,570.00
Alterations to Existing Structure	7,000.00
Drever & Smith — Architect's fees 6%	7,000.00
Contingencies, debenture expenditures and other extras (3% of cost of construction)	1,430.00
Furniture & Equipment	3,000.00
	$135,000.00

NOTE: Robert Meek School presently has ten classrooms, plus a make-shift temporary classroom in the basement which has been occupied since September, 1959. There is a shortage of accommodation at nearby Frontenac School. The basement classroom which is unsatisfactory will be abandoned. All of the ten regular classrooms will be retained.

(Proposed One Reading) CARRIED

2. That the proposed by-law authorizing the establishment of a parking lot at 27 Princess Street (Richardson Building) be withdrawn, and no further action be taken to acquire this property, since expropriation proceedings would be necessary. (Ald. Elliott opposed) CARRIED

3. That as recommended by the Kingston and District Agricultural Society, Mr. R. B. Ness be re-appointed as one of their representatives on the Board of Trustees of the Kingston Community Memorial Centre, for a three year term ending December 31, 1962, pursuant to the agreement between the City and the Society dated March 18, 1950, wherein the Agricultural Society assigned Federal and Provincial grants in the amount of $300,000.00 to the City towards the cost of constructing the Centre, and the City agreed that one-third of the Board of Trustees of the Centre appointed by the City would be nominees of the Kingston and District Agricultural Society. CARRIED

4. That as recommended by the Board of Works, a by-law be presented to Council to authorize supplementary expenditure on roads of $46,616.83. This is the amount on which the municipality will apply for a supplementary subsidy under The Highway Improvement Act.

	Approved Amount	Expended
Maintenance — Current Budget	$340,000.00	$402,456.00
Reconstruction — Current Budget	40,000.00	30,271.00
Construction — by Debenture Issue	50,282.17	44,172.00
	$430,282.17	$476,899.00

(Proposed Three Readings) CARRIED

5. That as recommended by the Traffic and Streets Committee, the Public Utilities Commission be authorized to maintain the traffic signal light system as follows, at an estimated annual cost of $2,000.00 (exclusive of the cost of supplying electricity), and the City Treasurer be authorized to pay these accounts, which will be charged to the City on an actual cost basis, when presented for payment and approved by the Department Head concerned; further funds to be provided in the 1960 Traffic and Streets budget for this expenditure:

Inspect heads, control boxes, make necessary repairs and clean lights once a month from May to October inclusive, and once during February, April and December.

Perform all emergency repairs to the system during the year.

NOTE: In previous years inspection was not carried out at regular intervals. Repairs were made as required. (Annual cost was $1,000.). Increased cost is due to more regular maintenance, additional lights and control boxes, and use of aerial truck. CARRIED

6. That as recommended by the Public Utilities Commission, a by-law be presented to Council to authorize the following improvement and repairs to the Gas Works Supply System, at an estimated cost of $531,500.00 as follows:

	1960 Expenditures	Expenditure When Load Develops in Penitentiary Area

TO ADJOURN

Moved by Ald. Webb, seconded by Ald. Prevost (32) that Council do now adjourn. LOST (9:10)

UNFINISHED BUSINESS

Ald. Herrington suggested that the Traffic & Streets Committee consider the establishment of one-way streets in front of the Community Centre on York Street running from East to West, and also consider one-way streets at the Kingston Curling Club and in front of the main entrance to K.C.V.I. Mayor Mills stated that he had been advised that the Curling Club would prefer parking on both sides and one-way traffic. (Referred to Traffic & Streets Committee).

Ald. Herrington stated that he had received numerous complaints about the dust from the race track at the Community Centre last year, and he was concerned about possible flooding conditions as a result of the Board of Works piling snow on the Community Centre grounds. Ald. Kennedy stated that he was under the impression that the Board of Works had treated the race track at the Centre to keep down the dust. (Referred to Board of Works).

Ald. Elliott clarified a press report of the Traffic meeting held on January 12, 1960. She stated that the statement made about the Committee being rid of the conservative element was not intended as a reflection on the past members of the Committee.

Ald. Webb stated that he had received complaints from firemen that the training programme exams were too stringent, and that certain questions were not relevant to fire fighting. He requested a copy of one of the exam papers. (Referred to Chairman of Administrative Com.).

Ald. Shannon commented on Ald. Herrington's remarks about the Dump, and dust nuisance at the Centre. He stated that he was more concerned about the residents in the vicinity of the Dump who had to live under more undesirable conditions than those in the vicinity of the Centre race track. Ald. Prevost stated that he was sure Ald. Herrington was not taking the Dump situation lightly. He stated that he was in sympathy with the residents of Cataraqui Ward who lived in the vicinity of the Dump.

Moved by Ald. Prevost, seconded by Ald. Tee (33) that Council do now adjourn.

Council adjourned at 10:18 p.m.

(Signed) (L.S.)

Council hereby directs that this policy shall be deposited for safe keeping with the City Treasurer, and shall be kept in the vault in the Accounting Department.

COMMUNICATIONS

To be Filed:

From Mr. B. G. Allmark, M.P., advising that he is bringing the matter of the paving of Johnson Street, from Palace Road to Yonge Street, to the attention of Central Mortgage & Housing Corporation and the Department of Justice.

To be Referred to the Finance Committee:

From the County of Frontenac, advising that they are assessing the City of Kingston with an amount of $33,000.00 for suburban road purposes for 1960. (1959: $27,000.00)

From the Department of National Defence, advising that since January 1, 1956, the Public Utilities Commission has been supplying water to Department of National Defence (Army) at ordinary water rates plus fire demand and debenture charges.

They suggest that effective January 1, 1960, the following procedure be followed:

(a) Public Utilities Commission to bill Headquarters Eastern Ontario Area, Kingston, at the ordinary water rates at the usual billing times.

(b) The City of Kingston to bill the Municipal Grants Division, Department of Finance, Ottawa, annually, for the fire demand and debenture fraction of the water rates shown as a charge against the assessed value of the properties concerned.

(c) The City of Kingston to effect a simple accounting credit for the fire demand and debenture fraction in favour of the Public Utilities Commission.

To be Considered with Clause 11, Administration Report No. 14:

From Local Union 221, Plumbers and Pipefitters, United Association, Kingston, objecting to the proposed amendment to the Plumbing Licensing By-Law. (Copies distributed to members of Council).

From the Kingston Builders' Exchange, objecting to the proposed amendment to the Plumbing Licensing By-Law on behalf of the plumbing section of the Kingston Builders' Exchange.

Alderman Vosper presented Report No. 12 of the Traffic and Streets Committee as follows:

Moved by Ald. Vosper, seconded by Ald. Spearn (1) that Report No. 12 be received and adopted clause by clause.

Alderman Grant presented Report No. 13 of the Board of Works as follows:

Council consented to the addition of Clauses 5 and 6.

Moved by Ald. Grant, seconded by Ald. Leach (2) that Report No. 13 be received and adopted clause by clause.

BOARD OF WORKS REPORT NO. 13

February 1st, 1960

To the Members of City Council

Gentlemen:

The Board of Works recommends as follows:—

1. That, as recommended by the Commissioner of Works, Contract 59-5 with Charles Dietrich Const. for construction of Rideau Heights Low Rental Housing sewers be accepted as completed on January 13th, 1960 except for minor deficiencies which the Contractor will correct in the spring, it being understood that any inspection or supervision costs subsequent to January 13th, will be charged to the Contractor. CARRIED

2. That the following accounts be paid:—

P.U.C. — $1054.81—City's share of joint excavation for Palace Rd. sewer and watermain

P.U.C. — $ 537.82—relocating hydrant and fence at corner of Bath Rd. and Palace Rd.

McGinnis & O'Connor Ltd. — $754.50 — rental of snow plowing equipment

Canadian Fairbanks Morse Co. Ltd. — $550.48 — repair parts for diesel engine at North End Pumping Station.

CARRIED

3. That the City of Kingston endorse the following resolution of the City Engineers Association —

Whereas, following a thorough study, a report of roads and needs study has been prepared and submitted to the Hon. L. M. Frost, Q.C., Prime Minister of Ontario, with estimates of the cost of maintenance and construction needs for the next twenty years, we would like to compliment those responsible for inaugurating and completing this study and report, with the co-operation of advisory committees from county and city engineers.

Whereas the estimated expenditures on municipal roads and streets:

County Roads	$ 731,760,000
Township Roads	$1,154,340,000
Urban Streets	$2,828,040,000

are greatly in excess of the revenues available for such works.

It is resolved that the government of the Province of Ontario be urged to undertake, without delay, the determination of ways and means to provide the necessary funds to complete the work envisaged in the needs study report and required to provide the province with systems of roads adequate for the traffic needs of the next twenty years.

CARRIED

4. That the Board of Works be authorized to report on the advantages and disadvantages of collection of garbage

by contract and to invite proposals for contract collection in order to obtain approximate cost estimates, it being understood that this is merely an authorization to study and report on the question and involves no commitment by the members of Council that they intend to abandon the present system. CARRIED

5. That the Commissioner of Works be authorized to purchase a spare auger for Snow Blower No. 220 from W. J. Allinson Ltd., Kingston at a cost of $695.00.

(Two-thirds vote of members required) CARRIED (19-1)

Moved by Ald. Herrington, seconded by Ald. Graves (33) that strong representations be made to the Provincial Government to establish the proposed two million dollar police school in Kingston since such excellent facilities are available in this area. CARRIED

Moved by Ald. Vosper, seconded by Ald. Grant (34) that the Council of the City of Kingston express to the Federal Government its deep disappointment that funds for the proposed dredging of the channel at the eastern end of Wolfe Island have not been provided for in the 1960 Federal Budget. Appreciating the desirability of a balanced budget from the standpoint of municipal borrowing, it nevertheless remains a matter of grave concern that further delay of this project may well foster the development of repairs and service facilities on the American side of the river. CARRIED

Moved by Ald. Vosper, seconded by Ald. Herrington (35) that Mr. Allmark be commended for the work that he has done to obtain an appropriation for the dredging at the foot of Wolfe Island. CARRIED

UNFINISHED BUSINESS

Ald. McCorkell stated that the Council should give the Fire Chief a vote of confidence, and that he was opposed to the firemen calling the Aldermen.

Ald. Webb agreed with Ald. McCorkell's remarks about the Fire Chief. Ald. Webb asked if the Mayor would consider appointing a committee to present a recommendation concerning further nominees for inclusion in the Book of Honourable Achievement. (Referred to Mayor)

Ald. E. Watts requested the Traffic & Streets Committee to give serious consideration to the one-way street report before presenting a recommendation to Council. He also requested that the Committee give consideration to the problem at the Traffic Circle.

Moved by Ald. Herrington, seconded by Ald. Webb (36) that Council do now adjourn.

Council adjourned at 9:59 p.m.

Council consented to the amendment of Clause 2 by changing the date "March 28" in line 3 to read "April 4."

Moved by Ald. McCullough, seconded by Ald. Grant (8) that Report No. 20 be received and adopted clause by clause.

REPORT NO. 20

February 17, 1960

To the Mayor and Members of Council

The Committee on Finance and Accounts reports and recommends as follows:

1. That as recommended by the Board of Works, a by-law be presented to Council to amend By-Law No. 3165, "A By-Law to Authorize the Construction of a Sanitary Trunk Sewer from the North End of the Existing Rideau Heights Trunk Sewer to Montreal Street at Hunter; and a sanitary Sewer in Greer Street, including services, under the Provisions of The Local Improvement Act (Petition)," to reduce the cost as follows due to the change in route, requests for change of services, and exemptions for vacant low land:

	Total Cost	City's Share	Owners' Share
Original Amount	$150,000.00	$115,827.70	$ 34,172.30
Revised Amount	145,334.03	113,781.47	31,552.56
Reduction	$ 4,665.97	$ 2,046.23	$ 2,619.74

(Proposed Two Readings) CARRIED

2. That, as recommended by the Board of Works, a by-law be presented to Council to authorize the execution of an agreement with Corcoran Excavating to amend Contract 59-15 to extend the completion date by one week, to April 4, 1960, and increase the unit quantities by $6,609.80 as detailed on Schedule "B" attached to the Works minutes dated February 15, 1960.

(Proposed Three Readings) CARRIED AS AMENDED

3. That, since under the Rules of Procedure of City Council the Board of Works can only expend 40% of the 1959 appropriation for winter control, until the 1960 budget is adopted, and since this amount will not permit them to carry out their winter control programme, they be granted an interim budget of $75,000.00, and funds for this expenditure be provided in the 1960 Board of Works budget.

CARRIED

4. That, as recommended by the Board of Works, since the interim appropriation of $3,200.00 for sidewalk sanding has been expended, an interim budget appropriation of $6,000.00 be approved, and provision for this expenditure be made in the 1960 Board of Works budget. CARRIED

5. That, as recommended by the Parks Committee, since the interim appropriation of $6,700 is insufficient for the regular rinks operation and the construction of the two new rinks, an interim appropriation of $10,000 be approved, and provision for this expenditure be made in the 1960 Parks budget. CITY COUNCIL MEETING NO. 7

March 28, 1960

The regular meeting of City Council was held this evening in the Council Chamber at 8:00 p.m. His Worship Mayor Mills presiding.

ROLL CALL

PRESENT: Ald. Baiden, Elliott, Foley, Good, Grant, Graves, Herrington, Kennedy, Leach, McCorkell, McCullough, Prevost, Shannon, Sly, Stevens, Tee, Vosper, A. S. Watts, E. Watts, Webb.

TABLING OF DOCUMENTS

Ontario Fuel Board Order No. 92 showing schedule of rates for central space heating or central space heating and other purposes for charitable or non-profit institutions.

COMMUNICATIONS

To be Referred to the Administration Committee:

From the City of Kitchener, requesting the City of Kingston to endorse their resolution that the Provincial Government be requested to provide grants to municipalities erecting public libraries substantially in excess of the present grant paid.

To be Referred to the Social Welfare Committee:

From the City of Barrie, requesting the City of Kingston to endorse their resolution that the Province amend the Child Welfare Act to provide the following:

(a) Permit appeal to County Judge from Judge of Family Court.

(b) That residence be established by a month consisting of 28 days rather than 20 or more.

(c) That a section be added to provide that whereby a neglected child born in Ontario to any parent that has lived in Ontario for less than 280 days immediately prior to the child's birth, be a charge of the Province.

(d) That a municipality upon whom notice has been served may call witnesses if they desire.

(e) That a section be added whereby during the next 30 days a Judge's Order has been made the municipality found liable, may show cause why they should not be liable, and upon presentation of same the Judge be authorized to amend such Order.

To be Filed:

From the Brigantine Incorporated, advising that their total collections on their tag day on March 19, 1960, amounted to $1,252.00. They express their appreciation to Council for the privilege of holding this annual money raising event.

From the Kingston City Coach Company Limited, advising that the reduction in service on the Barriefield route will take effect on March 28, 1960.

From Anne Heggtveit, expressing her appreciation for Council's congratulatory resolution.

From the Ontario Municipal Association, submitting a report on O.M.A. Delegations meeting with the Cabinet, and advising that 1960 convention resolutions must be submitted by July 9, 1960.

From Mr. B. G. Allmark, M.P., advising that the Department of Justice advise that the paving costs on Johnson Street, between Yonge Street and Palace Road, which would apply to the Department of Justice, will be dealt with by the Municipal Grants Division of the Department of Finance.

From the Department of Finance, advising that the property on the North side of Johnson Street, between Yonge Street and Palace Road, is to be sold to Central Mortgage and Housing Corporation, and it will not be possible to make a contribution towards the cost of paving for this side of the street. With regard to the Department of Justice frontage on the South side of Johnson Street, application will have to be made for a grant in lieu after the work is completed. It is not their policy to approve a grant prior to the commencement of the work.

To be Referred to the Board of Works:

From the Ontario Municipal Board, advising that the City's application for resurfacing the Bath Road from C.N.R. Tracks 850 feet easterly, has been dismissed by the Board because of the objection of abutting property owners and the fact that the cost of the work is much greater than other resurfacing works elsewhere in the City.

To be Filed:

From the Local Council of Women, expressing their appreciation for the use of the Council Chambers to hold their meetings.

To be Referred to the Administration Committee:

From the City of London, requesting the City of Kingston to endorse their resolution that the Local Improvement Act be amended to provide for an allowance on inside lots of triangular or irregular shape, having regard to the situation, value and superficial area of such lots as compared to other lots.

Moved by Ald. Webb, seconded by Ald. Herrington (1) that communication No. 9 be referred to Administration and Legislation and Finance. CARRIED

REPORT NO. 29

Kingston, March 23, 1960

To the Mayor and Members of Council

The Committee on Finance and Accounts reports and recommends as follows:

1. That as requested by the Separate School Board, the City accepts their offer to return to the City an area of land 56 feet by 150 feet, more or less, which was formerly part of Adelaide Street, running from Cowdy Street easterly, which the City deeded to the Separate School Board in 1946 to be used for school purposes, and which the Separate School Board no longer requires, it being understood that the City agrees to assume the cost of survey and transfer of title and to construct a 5 foot asphalt walk, and a chain link fence on the northerly ten feet of this property which is being retained by the Separate School Board for a walkway for school children, at an estimated cost of $700.00, it also being understood that once the walkway is constructed, it will be fully maintained by the Separate School Board.

Further, when the City has received the deed from the Separate School Board for the portion of this property which they are deeding to the City, a by-law be presented to Council to authorize the sale of this property (56 feet by 150 feet more or less) to Mr. M. Markotich for the sum of $1400.00. REFERRED BACK

2. That the final account of M. Sullivan & Son Limited in the amount of $31,783.81 as certified by Drever & Smith, Architects, for construction of the Swimming Pool at the Kingston Community Memorial Centre, be authorized for payment; further, $5,163.57 be provided in the 1960 Budget to cover the Capital Deficit on the construction of the Swimming Pool. CARRIED

3. That the account of Drever & Smith, Architects, for architects' services for the swimming pool as follows, be authorized for payment:

6. That the present lease with the Loblaw Groceteria Co. Limited for the lease of City owned land at the rear of their store (Tower Street) which expires in October 1960, be renewed for five years on the present terms, with the exception of the rental payment which is to be increased from $1,500.00 per annum to $2,400.00 per annum. (Note: Loblaws also pay municipal taxes on this lot).

CARRIED (Ald. Webb opposed)

That the following clause be substituted for Clause 7 on Report No. 29:

"7. That as recommended by the Board of Works a storm outlet sewer be constructed from Shaw Street 180 feet easterly at a total estimated cost of $2,700.00, and due to the urgency of constructing this storm sewer immediately this expenditure be charged against the 10% down-payment of the City's share of Local Improvements under 'Board of Works — Capital Expenditures' where it will normally be charged at the end of the year; further, a by-law be presented to Council to amend Contract 59-15 with Corcoran Excavating Company Limited to add this work to their contract, and to extend the completion date from April 14, 1960 to April 21, 1960; further, a by-law be presented to Council to authorize the acquisition of a sewer easement 15 feet by 186.1 feet more or less, from Mr. Winston Leavitt, being the southerly 15 feet of Lot 35, as shown on Registered Plan 334, for the sum of $100.00."

CITY COUNCIL MEETING NO. 7

March 28, 1960

The regular meeting of City Council was held this evening in the Council Chamber at 8:00 p.m. His Worship Mayor Mills presiding.

ROLL CALL

PRESENT: Ald. Baiden, Elliott, Foley, Good, Grant, Graves, Herrington, Kennedy, Leach, McCorkell, McCullough, Prevost, Shannon, Sly, Stevens, Tee, Vosper, A. S. Watts, E. Watts, Webb.

TABLING OF DOCUMENTS

Ontario Fuel Board Order No. 92 showing schedule of rates for central space heating or central space heating and other purposes for charitable or non-profit institutions.

COMMUNICATIONS

To be Referred to the Administration Committee:

From the City of Kitchener, requesting the City of Kingston to endorse their resolution that the Provincial Government be requested to provide grants to municipalities erecting public libraries substantially in excess of the present grant paid.

To be Referred to the Social Welfare Committee:

From the City of Barrie, requesting the City of Kingston to endorse their resolution that the Province amend the Child Welfare Act to provide the following:

(a) Permit appeal to County Judge from Judge of Family Court.

(b) That residence be established by a month consisting of 28 days rather than 20 or more.

(c) That a section be added to provide that whereby a neglected child born in Ontario to any parent that has lived in Ontario for less than 280 days immediately prior to the child's birth, be a charge of the Province.

(d) That a municipality upon whom notice has been served may call witnesses if they desire.

(e) That a section be added whereby during the next 30 days a Judge's Order has been made the municipality found liable, may show cause why they should not be liable, and upon presentation of same the Judge be authorized to amend such Order.

To be Filed:

From the Brigantine Incorporated, advising that their total collections on their tag day on March 19, 1960, amounted to $1,252.00. They express their appreciation to Council for the privilege of holding this annual money raising event.

From the Kingston City Coach Company Limited, advising that the reduction in service on the Barriefield route will take effect on March 28, 1960.

From Anne Heggtveit, expressing her appreciation for Council's congratulatory resolution.

From the Ontario Municipal Association, submitting a report on O.M.A. Delegations meeting with the Cabinet, and advising that 1960 convention resolutions must be submitted by July 9, 1960.

From Mr. B. G. Allmark, M.P., advising that the Department of Justice advise that the paving costs on Johnson Street, between Yonge Street and Palace Road, which would apply to the Department of Justice, will be dealt with by the Municipal Grants Division of the Department of Finance.

From the Department of Finance, advising that the property on the North side of Johnson Street, between Yonge Street and Palace Road, is to be sold to Central Mortgage and Housing Corporation, and it will not be possible to make a contribution towards the cost of paving for this side of the street. With regard to the Department of Justice frontage on the South side of Johnson Street, application will have to be made for a grant in lieu after the work is completed. It is not their policy to approve a grant prior to the commencement of the work.

To be Referred to the Board of Works:

From the Ontario Municipal Board, advising that the City's application for resurfacing the Bath Road from C.N.R. Tracks 850 feet easterly, has been dismissed by the Board because of the objection of abutting property owners and the fact that the cost of the work is much greater than other resurfacing works elsewhere in the City.

To be Filed:

From the Local Council of Women, expressing their appreciation for the use of the Council Chambers to hold their meetings.

To be Referred to the Administration Committee:

From the City of London, requesting the City of Kingston to endorse their resolution that the Local Improvement Act be amended to provide for an allowance on inside lots of triangular or irregular shape, having regard to the situation, value and superficial area of such lots as compared to other lots.

Moved by Ald. Webb, seconded by Ald. Herrington (1) that communication No. 9 be referred to Administration and Legislation and Finance. CARRIED

REPORT NO. 29

Kingston, March 23, 1960

To the Mayor and Members of Council

The Committee on Finance and Accounts reports and recommends as follows:

1. That as requested by the Separate School Board, the City accepts their offer to return to the City an area of land 56 feet by 150 feet, more or less, which was formerly part of Adelaide Street, running from Cowdy Street easterly, which the City deeded to the Separate School Board in 1946 to be used for school purposes, and which the Separate School Board no longer requires, it being understood that the City agrees to assume the cost of survey and transfer of title and to construct a 5 foot asphalt walk, and a chain link fence on the northerly ten feet of this property which is being retained by the Separate School Board for a walkway for school children, at an estimated cost of $700.00, it also being understood that once the walkway is constructed, it will be fully maintained by the Separate School Board.

Further, when the City has received the deed from the Separate School Board for the portion of this property which they are deeding to the City, a by-law be presented to Council to authorize the sale of this property (56 feet by 150 feet more or less) to Mr. M. Markotich for the sum of $1400.00. REFERRED BACK

2. That the final account of M. Sullivan & Son Limited in the amount of $31,783.81 as certified by Drever & Smith, Architects, for construction of the Swimming Pool at the Kingston Community Memorial Centre, be authorized for payment; further, $5,163.57 be provided in the 1960 Budget to cover the Capital Deficit on the construction of the Swimming Pool. CARRIED

3. That the account of Drever & Smith, Architects, for architects' services for the swimming pool as follows, be authorized for payment:

Less donation of Mr. Drever towards cost of constructing Children's Wading Pool.		500.00
To be transferred to reserve account.		
		$3,995.00

CARRIED

4. That Mr. Chas. Saunders, former Deputy Fire Chief, be appointed Civil Defence Administrative Officer, effective April 1, 1960, at a salary of $1800. per annum. CARRIED

5. That the following lists of accounts for expenditures incurred under proper authorization, be confirmed:

List No. 10 — 1959:	$1,482,389.41
" " 1 — 1960:	1,016,537.68
" " 2 — 1960:	345,075.82

CARRIED

6. That the present lease with the Loblaw Groceteria Co. Limited for the lease of City owned land at the rear of their store (Tower Street) which expires in October 1960, be renewed for five years on the present terms, with the exception of the rental payment which is to be increased from $1,500.00 per annum to $2,400.00 per annum. (Note: Loblaws also pay municipal taxes on this lot).

CARRIED (Ald. Webb opposed)

That the following clause be substituted for Clause 7 on Report No. 29:

"7. That as recommended by the Board of Works a storm outlet sewer be constructed from Shaw Street 180 feet easterly at a total estimated cost of $2,700.00, and due to the urgency of constructing this storm sewer immediately this expenditure be charged against the 10% down-payment of the City's share of Local Improvements under 'Board of Works — Capital Expenditures' where it will normally be charged at the end of the year; further, a by-law be presented to Council to amend Contract 59-15 with Corcoran Excavating Company Limited to add this work to their contract, and to extend the completion date from April 14, 1960 to April 21, 1960; further, a by-law be presented to Council to authorize the acquisition of a sewer easement 15 feet by 186.1 feet more or less, from Mr. Winston Leavitt, being the southerly 15 feet of Lot 35, as shown on Registered Plan 334, for the sum of $100.00."

COMMUNICATIONS

To be Filed:

From the Department of Planning & Development, advising that since Council has decided to proceed with Amendment No. 17 to the Official Plan (Gilmour property) it was considered since the Sampson-Springer case was inter-related with the same problem, that in the interests of all parties this matter should also be discussed at a public hearing of the Municipal Board. The Minister of Planning & Development has granted the request of Messrs. Sampson & Springer and referred the application to the Municipal Board. Despite the decision to grant this request for a reference, the opinion of the Minister as expressed in his letter of January 7, 1960 that this application is not in the interest of the City or the area, the reference was made to enable the matter to be discussed at a public hearing.

REPORTS

Alderman Elliott presented Report No. 31 of the Traffic and Streets Committee as follows:

Moved by Ald. Elliott, seconded by Ald. Vosper (2) that Report No. 31 be received and adopted clause by clause.

Moved by Ald. Good, seconded by Ald. Herrington (4) that Report No. 33 be received and adopted clause by clause.

REPORT NO. 33

Kingston, April 5, 1960

To the Mayor and Members of Council

The Committee on Administration and Legislation reports and recommend as follows:

1. That the resolution of the City of London recommending that the Local Improvement Act be amended to provide for a reduction in the Local Improvement assessment on inside lots of triangular or irregular shape having

regard to the situation, value and superficial area of such lots be endorsed. CARRIED

2. That the City of Kingston endorse the resolution of the City of Kitchener that the Provincial Government be requested to provide grants to municipalities that are erecting Public Libraries substantially in excess of the present grant. (Ald. Grant opposed) CARRIED

3. That a By-Law be presented to Council to authorize the licencing of parking lots that charge for the use of the parking lots with the licence fees to be as follows:

$5.00 — 1-5 parking spaces
$10.00 — 6-10 parking spaces
$15.00 — Over 10 parking spaces. CARRIED

4. That the City of Kingston does not endorse the resolution from the City of Sarnia supporting the present Demerit Point System for drivers of motor vehicles. CARRIED (20:1)

5. That the City of Kingston endorse the resolution of the City of Windsor which proposes that the Demerit Point System for automobile drivers be modified to permit a driver whose licence is suspended for three months to drive in the course of his employment during the second half of his three month suspension. LOST (6:15)

6. That the Minister of Transport be requested to consider an amendment to the Demerit Point System for automobile drivers to eliminate the existing penalty of a two point demerit for a driver who has exceeded the speed limit by less than 10 miles per hour. CARRIED (12:9)

7. That since a subdivision control by-law may seriously affect the sale of a parcel of land and since a property owner may not notice the publication in the newspaper of an advertisement concerning a subdivision control by-law, the resolution of the City of Woodstock to permit the substitution of newspaper advertising instead of notices by mail to each property owner not be endorsed. CARRIED

8. That pursuant to Section 234 of the Municipal Act the price for copies of by-laws and extracts from records of the Council under the control of the Clerk be 1c per page when the by-laws or records have been mimeographed or reproduced in quantity lots and at the rate of 15c a page where it is necessary to run off a separate copy on thermo-fax copy machine, and actual cost for reprints on the wet process photo copy machine. CARRIED

9. That a by-law be presented to Council to authorize an agreement with the Royal Trust Company to act as trustee for the City of Kingston Pension Fund. CARRIED

10. That the Wyatt Company be appointed actuaries for the City of Kingston Pension Plan at an hourly fee of $15.00. CARRIED

11. Resolved that By-Law 3222 "A By-Law to Provide for the Licensing of Plumbers in the City of Kingston," which permits an owner to perform plumbing work on premises which he occupies (or will occupy forthwith) without being licensed, be amended:

(a) To permit a person to keep existing plumbing fixtures repaired by replacing worn parts such as taps and valves.

(b) To permit a licensed journeyman plumber who is steadily employed for plumbing work by a commercial firm, industrial firm, the City of Kingston or any local board or commission (as defined by the Department of Municipal Affairs Act) to perform plumbing work on the premises of his employer without being licensed as a plumbing contractor or master plumber. Alderman McCullough presented Report No. 35 of the Committee on Finance and Accounts as follows:

Moved by Ald. McCullough, seconded by Ald. Grant (7) that Report No. 35 be received and adopted clause by clause.

REPORT NO. 35

Kingston, April 6, 1960

To the Mayor and Members of Council

The Committee on Finance and Accounts reports and recommends as follows:

1. That as recommended by the Social Welfare Committee, and in order that the accounting records of Rideaucrest Home for the Aged will conform to the Provincial Department of Homes for the Aged subsidy claim forms, the budget appropriations as approved by City Council be amended as set forth on Schedule "A" attached to the minutes of Meeting No. 20, it being understood that although certain allocation numbers and appropriation amounts have been changed, the gross appropriation of $90,116.00 remains unchanged. CARRIED

2. That as recommended by the Board of Works, $1,500.00 be transferred from "Gravel Roads" to "Sidewalks Sanding and Snow Removal." CARRIED

3. WHEREAS the Cities of Kingston, Hamilton and Chatham had indicated their objections to the Provincial Homes for the Aged Branch, concerning the maintaining of a separate bank account for Homes for the Aged;

AND WHEREAS a regulation has been made to this effect regardless of the objections raised;

AND WHEREAS the Department of Municipal Affairs Act, Part 9A, states that this Department may prescribe the system of accounting to be adopted by a municipality;

AND WHEREAS a senior official of the Department of Municipal Affairs advised under date of November 16, 1959 that if adequate accounting records are being maintained, separate bank accounts are not really necessary in the larger municipalities;

AND WHEREAS this regulation would create considerable additional accounting work:

THEREFORE BE IT RESOLVED that as recommended by the Social Welfare Committee, that having regard to the Regulation recently made under the Homes for the Aged Act, 1955, requiring a Home for the Aged to maintain a separate bank account, that an appointment be arranged with the Honourable Louis P. Cecile, Q.C., L.L.D., Minister of Public Welfare, through the Honourable W. M. Nickle, Q.C., Minister of Planning and Development, for the purpose of discussing this regulation, and that Ald. D. L. Foley, Chairman, Committee on Social Welfare, and Mr. W. N. Smith, City Treasurer, represent the City at the interview with the Minister of Welfare. CARRIED

4. That as recommended by the City Council Special Negotiating Committee, a by-law be presented to Council to amend By-Law No. 1, "A By-Law to Regulate the Proceedings of the Municipal Council of the Corporation of the City of Kingston" to authorize the City Council Negotiating Committee to negotiate and recommend to the Finance Committee, salaries, rates of pay, fringe benefits, and classification ranges for all employees, other than Heads of Departments, their Deputies, and members of the Police Department.
CARRIED

5. That the present accident coverage on members of Council, with Sun Insurance Office Ltd., be increased as follows at a total annual premium of $433.65 (21 x $20.65), and the City Treasurer is hereby authorized to pay this account; further, that $184.00 be transferred from "Contingencies" to "Administration—Fixed Charges" to cover the costs of the policy revision.

From the Eastern Ontario Development Association, a booklet of statistics and general information pertaining to municipalities in Eastern Ontario.

COMMUNICATIONS

From the Association of Ontario Mayors & Reeves, advising that the Association has made representation to the Province regarding the inadequacy of educational grants. The increasing cost to municipalities for education will be an important subject for discussion at the forthcoming Annual Convention of the Association, which will be held at Cornwall on June 22, 23 and 24. Resolutions must be submitted by April 30, 1960.

From Queens University, expressing their appreciation for the City providing for a $15,000.00 grant to them in the 1960 budget.

From the Ontario Department of Planning & Development, outlining the policy now established by the Federal Government with respect to the working signals and other measures to disseminate public warning to all citizens in Canada in the event of enemy attack, or the likelihood of attack.

From the Ontario Department of Labour, Anti-Discrimination Commission, enclosing material setting out the terms of Ontario's Human Rights Code as embodied in The Fair Employment Practices Act 1951, The Female Employees' Fair Remuneration Act 1951, and The Fair Accommodation Practices Act 1954.

From Mr. D. W. Maddocks, District Representative, Ontario Department of Education, Community Programmes Branch, advising that By-Law No. 3240 to establish a Municipal Recreation Committee for Kingston has been approved by the Minister of Education. He also advises that he would be pleased to meet with the Recreation Committee as soon as it is appointed to discuss responsibilities and plans for the future.

From the Loyal Orange Grand Lodge, Province of Ontario East, expressing their appreciation for the co-operation received from Mayor Mills and City Officials on the occasion of their centennial meeting in Kingston.

From the Children's Aid Society, expressing their appreciation for the budget provision for sewer services for their Receiving Home, and City Council's resolution with regard to non-statutory work.

To be Referred to Administration:

From the City of Chatham, requesting endorsation of their resolution that legislation permitting the granting of fixed assessment be repealed.

To be Filed:

From Ald. Stevens, expressing his appreciation to Council for their expression of sympathy.

From the Secretary of the Minister of Transport, acknowledging receipt of Council's resolution respecting the demerit point system and advising that this matter will be brought to the attention of the Minister upon his return to office, and pointing out that "at the present time no demerits are assessed unless the offence is for exceeding the speed limit by more than 10 miles per hour."

To be Referred to Administration & Planning Board:

From Mr. J. B. Sampson, advising that he and his associates have purchased the table land fronting on Montreal Street, formerly owned by the C.N.R. A fringe of this is zoned "R-2" and the remainder "M-2." He believes that all these lands should be zoned "R-2" and "R-3."

To be Referred to the Finance Committee:

From the Public Utilities Commission, requesting the City of Kingston to concur in the rates approved by the Commission for Seasonal and Interruptible Gas for General and Industrial Consumers in the City of Kingston. (Copies have been distributed to members of Council).

PETITIONS

A petition from 31 owners and 19 tenants in the vicinity of the intersection of Main Street and Raglan Road petitioning Council to take immediate action to have Stop Signs erected on Raglan Road at intersection of Main Street, was presented by Ald. Webb.

12. That as recommended by the Special City Council Negotiating Committee, a by-law be presented to Council to make the following amendments to By-Law No. 959, "A By-Law to Provide for the Conditions of Employment of Employees of the Corporation of the City of Kingston":

1. That section 9(c) be amended by the addition of the following:

"However, when an employee's sick leave benefits have been exhausted, time off work for permanent employees shall be calculated on a five-day week (or for a member of the Fire Department, on the number of days to be worked in that pay period), rather than on a calendar year basis."

(Under the present basis an employee who was absent through illness on Friday and Monday and who had used all his sick pay credits, if earning $3,000. a year would lose 4 divided by 364 multiplied by $3000. equals $32.92; under amendment he would lose 2 divided by 10 multiplied by 3000 divided by 26 pays equalling $23.07.

2. That section 22 be added as follows:

"22. **Grievance and Complaint Procedure**

The following procedure shall apply for handling complaints and grievances from employees who are not in the bargaining unit of the National Union of Public Service Employees or The Kingston Fire Fighters' Association:

(a) Following the occurrence, any employee may submit a complaint orally to the head of the department not later than the end of the next regular working day. The department head shall give his decision not later than the end of the second regular working day.

(b) If the employee is not satisfied with the decision of the head of the department he may submit the complaint in writing within 24 hours to the City Hall Staff Negotiating Committee. If, in their opinion, the grievance has merit, they may within four days present the grievance to the Clerk-Comptroller in writing. No grievance shall be considered by the Clerk-Comptroller unless presented to him in writing within seven days from the occurrence. The time limits in Sections (a) and (b) may be extended by mutual agreement. The Clerk-Comptroller shall deliver his decision in writing within one week of the presentation of the grievance to him.

(c) If the decision of the Clerk-Comptroller be not satisfactory to the employee concerned and if the City Hall Staff Negotiating Committee deem it expedient, they may present the grievance in writing not later than the 6th day following the Clerk-Comptroller's decision for consideration by the Special City Council Negotiating Committee, who shall deliver their decision in writing within seven days of the presentation of the grievance to them. The decision of the Special City Council Negotiating Committee shall be final."

3. That section 23 be added as follows:

"23. Nothing in this by-law shall be interpreted as limiting the Corporation in the exercise of all the rights, powers, authority, and regular and customary functions of Management, and without limiting the generality of the foregoing these rights shall include:

(a) the right to introduce technical improvements and methods of operations;

(b) the right to extend or limit operations;

(c) the right to maintain order, discipline and efficiency;

(d) the right to determine the equipment and materials to be used in any operation or series of operations;

(e) the right to determine the methods of performing the work and the time-schedule of operations;

(f) the right to hire, and the right to promote, demote and to transfer any employee;

(g) the right to suspend or otherwise discipline and discharge any employee for just cause."
